Creativity keeps our improving, within the confines of this small world there is still territory which remains unexplored by the imagination of people

## About Guangzhou Izumi Industrial Co., Ltd.

Guangzhou Izumi Industrial Co., Ltd was established in 1995 as the leading manufacturer of aluminum folding furniture located in Guangzhou, China. IZUMI has proven to be the reliable supplier and exporter of high quality in its industry, we carry out all manufacturing processes in its own group factory, where over 200 staff are working. This ensures the highest standards of quality are strictly controlled as well as times are closely monitored.

**OnwaySports®**

It has been 21 years since ONWAYSPTS began manufacturing lightweight and highly portable, folding, aluminum furniture. We invested a lot of hard work and overcame many difficulties to create numerous popular products for the market. Many items owned product patent in overseas and China. And win Good Design Award in Japan many times.

Creativity keeps our improving, within the confines of this small world there is still territory which remains unexplored by the imagination of people, and ONWAYSPTS is attempting to carve out its existence as genuine, unrivaled professionals within this territory.

Good Design Award has been a sole comprehensive design evaluation and commendation system in Japan since 1957. Many companies and designers from both inside and outside of Japan participate in the activity to enhance the industry or the quality of life through the design. "G Mark", the symbol of the award has been recognized widely as a mark representing good design.
